

Activities for the forest dwellers

Banaja group of 27 NTFP cooperatives actively engaged in NTFP based income generation activities for the forest dwellers in Kalahandi, Nuapada, Koraput, and Rayagada districts of Orissa are open to discussion and dialogue with NTFP buyers, manufacture of cosmetic products, nutrition item pharmaceutical producers, ayurvedic medicine manufacturers, Unani medicine manufacturers and other related industries located in and outside state on prospects of marketing tie-up /linkage for the under mentioned items in both Raw and Value added form.

The interested buyers are requested to send their letter containing their requirement by E-mail or letters. We will invite all of them for detailed negotiation and MOU before actual collection begins. You can contact.
