

Proposed Plan for Facilitation of Sal Seed Marketing in Orissa.

2007

The Government of Orissa vide its resolution No3965 dated 2.3.06 has de nationalised sal seed and authorized the gram panchayats to regulate the trade. In this process the traders required to have get a registration with panchayats on payment of Rs 100/- for procurement of Sal seeds, and there is no royalties besides that no forest permit also required to lift the stock for both internal and external transport. The forest division wise potentiality of sal seed has been presented below.

If your agency is dealing with procurement, processing of sal seed please contact us for necessary co-ordination with primary collectors network. We request for your immediate reply on requirement and terms for trade in order to facilitate us to provide lively hood support to Forest dependent people on collection of sal seeds.

We also propose to organize a buyer-seller interface in near future to discuss various issues relating to sal seed trading in Orissa. The details of the meet would be highlighted in our website soon.
